Re: **European Technical Assessment**

Dear Mr. Igor Mekhonoshin,

based on your request, we confirm that company ARMASTEK Scientific & Production Company, Ltd, 27a, Fedoseeva St., 614101, Perm, Russia filed in our institute a request and concluded a contract for a European Technical Assessment (ETA) for products Glass-Fiber Reinforced Polymer Rebars Armastek.

According to prepared European Assessment Document (EAD) the preparation of test samples is currently being and at the beginning of the next year, we start with the full range of test.

Sincerely yours

Ing. Patrik Ševčík
